COMMON CONSTRUCTION WAGE

(TO BE COMPLETED IF THE CONSTRUCTION COSTS EXCEED \$150,000)

Please provide a copy of the wage scale adopted and signature page.

1. Is Wage Scale provided? (Y) (N)
(If no, explain why unit is exempt from providing such documentation)

2. Did the wage committee consider the following factors:
 - a) A determination of the skilled, semiskilled and unskilled classes required under IC 5-16-7-1(c)(1) for each trade or craft classification of labor employed in the performance of the project's contract? (Y) (N)
 - b) A determination of reasonably anticipated costs of providing fringe benefits commonly paid to workers on similar projects if their exclusion would depress real compensation below the level commonly set by the private sector. (Y) (N)

What was the date of the Common Construction Wage Committee Meeting? _____

If the wage committee has not met as of the date of this submission, provide an explanation:

3. Did the wage scale committee base its decision on data that was representative of the wages most commonly paid in the county where the project is located and for the types of work at issue? (Y) (N)
4. If the wage scale committee did not consider the factors and information described above, provide an explanation of the reason(s) why such factors and information were not considered.

5. Did any members of the committee abstain or refuse to sign the wage determination?
 - a. (Y) (N) (If yes, state the members name, title and reason for vote)

6. If the answer is **yes** to question #5, all data and information compiled by the Common Construction Wage Committee must accompany this document. Those documents include (but are not limited to) the following:
 - Surveys of projects and the rates proposed.
 - Any documents from the Department of Workforce Development pertaining to this project's Common Construction Wage.
 - Any other information that is background information for the Common Construction Wage Hearing.
 - Any other documentation compiled by the committee that is not enumerated above.
